(“Carnelian”) and formed for the purpose of entering into a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses, today announced the closing of its upsized initial public offering of 36,000,000 units. Total gross proceeds from the offering were \$360 million before deducting underwriting discounts and commissions and other offering expenses payable by the Company.

Once the securities comprising the units begin separate trading, the Class A ordinary shares and warrants are expected to be listed on the New York Stock Exchange under the symbols “PDOT” and “PDOT WS,” respectively.

UBS Securities LLC and Barclays Capital Inc. acted as joint book running managers for the offering. The Company has granted the underwriters a 45-day option to purchase up to an additional 5,400,000 units at the initial public offering price to cover over-allotments, if any.
